Morning Break Snacks

Please could we remind parents that if children wish to bring in a snack to eat then this should be either a piece of fruit or vegetable. In the Infants this is provided by the school, free of charge, as part of a government initiative.

We are aware that this message has not been reinforced for a while and as a result we have noticed that a number of children have started to bring in crisps, chocolate bars and sweets. We would be very grateful if you could support us with this healthy initiative.

Attendance

Our most recent Ofsted Inspection Dashboard highlights low attendance as a weakness in the year 2015-16. Unfortunately, this could prove to be a key issue if the school is inspected and could impact on our overall effectiveness grade. As a result, we are working hard to improve our school attendance figures. We have created a new '100% Attendance' display board which celebrates pupils who have secured 100% attendance in the previous term. We are also introducing new certificates to celebrate the children named on this board. These certificates will be presented to children in a whole school assembly.

Literacy Open Morning

Thank you to all those parents who joined us on Tuesday for our Literacy Open Morning. Over 40 parents attended and the feedback we received was incredibly positive.

Parents' Evening

The sign-up sheets for Parents' Evening will be available from next week. The YR-Y2 sheets will be pinned up on the infant double doors and the Y3-Y6 sheets will be pinned up on the junior double doors. Please note, this is a change from previous years.

Safeguarding

From now on we will be asking all parents to sign in for Class Assemblies. Please make sure you arrive promptly to allow time to do this. Thank you.
