

Maths Open Morning

On **Monday 19th June** we will be holding a Maths Open Morning between **8.50am – 10am**. After the welcome meeting, parents will be invited to move freely between classes to gain a full insight into how we deliver Maths across the school.

8.50am – 9.15am Coffee and Welcome Meeting with Head and Maths Subject Leader.

9.15am – 10am Open classes throughout the school.

The Headteacher and Senco will also be available for drop in appointments throughout the morning.

We really do hope to see as many parents as possible at this event.

Excellence and Enjoyment Week

Once again this week was fantastic and the children all gained so much from it! Thank you to all the children, teachers and parents for making this another wonderful week. Here are just a sample of photos to illustrate what a fantastic time the children had:

We also enjoyed another enormously successful **Ricky Park's Got Talent!** As always, it was an evening full of fun, laughter and some very talented children.

Thank you to the RPSA for running the café.

Attendance

From now on we will be sharing the attendance data for each class in our newsletter. As you know, attendance has been identified as a key issue for our school, on our Ofsted dashboard, and we are all working hard to address this. Our attendance figures are currently amongst the worst in the country largely as a result parents taking unauthorised term time holidays.

Our school is aiming to achieve a whole school attendance figure of 97%
